

KEY ESG

ESG Data Convergence Initiative's (EDCI) metrics for the 2021/2022 cycle

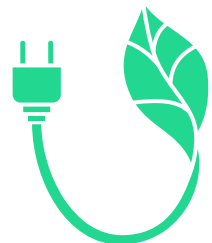

KEY ESG EDCI module tracks the 6 categories and 15 core metrics required by EDCI and follows its standards and reporting principles to "help further reduce the burden on LPs and GPs to create their own definitions" (ILPA).

Environment

GHG Emissions

Scope 1
Scope 2
Scope 3 (*optional*)

Renewable energy

% of renewable energy used

Social

Net new hires

New hires (organic and total)
Attrition

Work-related injuries

Injuries
Fatalities
Days lost due to injury

Employee engagement

Employee survey (Y/N)
Employee survey response
(*optional*)

Governance

Diversity of board members

% of women
% of under-represented groups
(*US only, optional for ROW*)
% of LGBTQ (*optional*)
